HUGE SAVINGS on USED MACHINES & WIRE

October 2024

Used Machines 10% Off

Save an additional 10% off already listed prices on used machines now through December 31st! Upgrade your equipment with quality, inspected pre-owned machines at a fraction of the cost. Contact us today to explore available models and secure your discount before the year ends.

Disclaimer: Offer valid thru December 31st 2024.

Meet or Beat Competitor Pricing on EDM Wire

Our Price Match commitment ensures the best value on EDM wire. We'll do our best to meet or beat any competitor's price, so you get top-quality products at unbeatable prices. Just show us a competitor's current price, and we'll take care of the rest.

Disclaimer: Proof of competitor pricing required.

About Us

We are proud to be the 5th largest wire distributor in the USA, bringing over 20 years of expertise and service excellence to our clients. Based in Wisconsin, we're committed to providing high-quality products and reliable support nationwide. In addition to a wide selection of top-name brands, we offer our own exclusive NEX GEN private label wire, designed to deliver exceptional performance and value. Our team is dedicated to meeting your needs with the best products, competitive pricing, and personalized service you can depend on.
